New River College Secondary
Lough Road
London, N7 8RH

Thinking of a role to further your education career?
Are you ready for a new challenge?

New River College Secondary can provide both.

This is a fantastic opportunity for a dedicated learning assistant who is looking for a new challenge and has a flexible approach, to join a committed team at New River College.

We are looking to appoint two enthusiastic and dedicated Learning Assistants to work with a committed team of professionals across New River College. This role will contribute to developing the best possible provision and support for our pupils. You must be flexible and educated to a Level 2 (English and Maths) standard to help improve pupils' reading, writing and numeracy.

We are looking for learning assistants who relish a challenge, who have the ability to engage children with social, emotional and mental health needs (SEMH) and who want to contribute to the lives of children and young people with drive and passion.

Many of our pupils are below national age-related literacy and numeracy levels when they arrive. Ability to engage children with SEMH is more important than the phase you are used to supporting.

New River College comprises of three pupil referral units in Islington (primary, secondary and medical), for pupils with social, emotional and mental health challenges (SEMH). We teach children and young people aged five to sixteen years old who have been permanently excluded or participate in our preventative programmes to address their behaviour, and children and young people with complex SEMH or medical needs. New River College is split across a number of sites so a willingness to work across all NRC sites and off site is essential.

Application deadline: **23:59 Sunday 13th October 2024**

Shortlisted candidates will be notified by: **Tuesday 15th October 2024**

Interviews will be held on: **Wednesday 23rd October 2024**
